

Love Out Loud

POETRY & ART SHOWCASE

SPONSORSHIP OPPORTUNITIES

Higher Achievement closes the opportunity gap during the pivotal middle school years. By leveraging the power of communities, Higher Achievement's proven model provides a rigorous learning environment, caring role models, and a culture of high expectations, resulting in scholars with the character, confidence, and skills to succeed in high school and beyond.

Love Out Loud is a showcase of scholar talent and creativity featuring their original works of poetry and art. Our scholars have powerful voices to share. With your sponsorship, you join a growing community of champions equipping them to build the academic, social, and emotional skills to thrive—and to lead.
